When buying a healthy TABLE FOR TWO branded menu item, one does good for oneself and for another less fortunate. US$0.25 of the proceeds from each TFT meal is donated and used to provide one school lunch in East Africa, Southeast Asia, and your local community.

Order for one. Feed Two. And Help the World Eat Better.

In our world of 7 billion, 1 billion suffer from hunger and malnutrition.

At the same time, an equal number suffer from obesity and other health issues related to “overnutrition.”
